Subject: Return to Work Notice for NDi Employees

NDi Team:

We are pleased to announce that, following the passage of the Stopgap Funding Bill, all federal government operations continue without interruption, and our contracts remain fully funded.

We are grateful for your patience during the last few days and are excited to continue our dedicated work on all contracts and projects.

If you have any questions or require additional information regarding your return to work, please contact your direct supervisor, project manager, or Human Resources at HR@netdes.com.

Sincerely,

Kasey Nesbitt
